Class I Professors working in Government Colleges

44. Sri B. P. GANGADHAR (Tumkur).—

Will the Minister for Education be pleased to state :—

(a) the number of Class I Professors appointed in the Scale of Rs. 600.40-1000 (excluding the DCE) now working in Government Colleges in the State as on 10th October 1967 ;

(b) the number of Class II Professors now working in the Government Colleges as on 10th October 1967 (information in respect of vacant posts need not be furnished) ;

(c) the number of posts of Principals held by Officers of the status of Professors as on 10th October 1967 ;

(d) the reasons for not promoting Readers as Principals ;

(e) whether there are any rules in vogue governing the appointment to the posts of Professors and Readers in each of the Government Colleges ;

(f) whether there are any Government Colleges having at least two or three Professors working in addition to the post of Principal ;

(g) if so, the names of such Colleges and the names of the Professors on duty as on 10th October 1967 ?

A.—Sri K. V. SHANKARA GOWDA (Minister for Education).—

(a) One.

(b) Six.

(c) There are no posts of Principals. The Seniormost Professor or Reader is designated as Principal of the College. Three Professors are working as Principals.

(d) As there are no separate posts of Principals the question of promotion of Readers as Principals does not arise.

(e) There are no separate rules applicable to each College as such. The promotions to the posts of Professors and Readers are made according to the Cadre and Recruitment Rules of the Department of Collegiate Education.

(f) No.

(g) Does not arise.

Sri B. P. GANGADHAR.—Supplementary to (e) : May I know whether there are no rules governing the appointments, promotions, transfers, etc., so far as the University is concerned ?

Sri K. V. SHANKARA GOWDA.—The reply is there ; promotions are made according to the Cadre and Recruitments Rules of the Department of Collegiate Education.

Sri B. P. GANGADHAR.—In the V. H. D. Institute of Science are the same rules made applicable for appointments, promotions, etc. ?

Sri K. V. SHANKARA GOWDA.—I do not know what is existing there but promotions are made according to the Cadre and Recruitment Rules.

Sri C. K. RAJAIAH SHETTY.—Supplementary to (a) : May I know the number of vacancies to be filled up and the time that is needed to fill up these vacancies ?

Sri K. V. SHANKARA GOWDA.—So far as Class I Professors are concerned, both the posts are filled ; one is the Director of Collegiate Education and another Professor is in the Central College. Therefore, there is no vacancy. So far as Class II Professors are concerned, there are 11 vacancies, but I cannot appoint them because there is some trouble about inter-state seniority.

2-00 P.M.

Sri B. P. GANGADHAR.—Is the V. H. D. Institute of Science a Government College ?

Sri K. V. SHANKARA GOWDA.—Yes.

Sri B. P. GANGADHAR.—Then, have not these rules been applied in this case ?

Sri K. V. SHANKARA GOWDA.—Yes.

Sri B. P. GANGADHAR.—Are there no instances where the rules are flouted and some persons have been elevated to higher cadre in quick succession ?

Sri K. V. SHANKARA GOWDA.—Certainly not.

Sri B. P. GANGADHAR.—If it is brought to the notice of the Minister, will he take any action ?

Sri K. V. SHANKARA GOWDA.—I will certainly take action if rules are violated.

Sri C. K. RAJAIAH SHETTY.—Is it not a fact that all the Government Colleges are in Old Mysore and that being so, where is the question of inter-State seniority ?

Mr. SPEAKER.—There are Government Colleges in other parts of the Mysore State.
